

CITY OF  
TUCSON

ENVIRONMENTAL &  
GENERAL SERVICES  
DEPARTMENT

Dear Neighborhood Association Presidents,

The City of Tucson, Environmental & General Services Department will be providing additional services to its Brush & Bulky Collection Program to help make our City and neighborhoods cleaner, safer and more attractive.

Brush & Bulky will continue collecting materials left at curb and in alleyways PLUS providing additional services when collections occur. The new Brush & Bulky + Service will include:

- Removal of overgrowth and litter in streets, alleys and easements
- Illegal dump site clean-ups
- Street sign repairs or replacement
- Street pot hole maintenance
- Graffiti removal

Brush & Bulky is scheduled to be in your area/neighborhood beginning the week of

We will be focusing our clean-up efforts in key corridors within your neighborhood map boundaries. Please help identify any areas that need special attention and any areas that you would prefer to address as a neighborhood. We would like to hear from you before we are in your area!

This program will use the Department of Correction's crews to assist with the clean-up efforts and help maximize the area coverage around Tucson.

Please submit any requests that you believe needs additional attention by to Ms. Colleen Bigman at 520-471-8165. If you have any questions or concerns regarding the expansion of Brush & Bulky, please do not hesitate to contact our office for further information.

Respectfully,

Carlos A. De La Torre, P.E.

Director

Environmental and General Services Department
